Conversion and Call into the Ministry

In the year 1990, the then Brother Boison was converted in Saltpond through the ministry of Rev. Charles Arko-Nunoo during a Full Gospel Business Men Fellowship International Breakfast meeting. He joined the Saltpond Assemblies of God Church (now Mount Olives A/G). After two years of his conversion, he was baptized in the Holy Spirit with evidence of speaking in tongues. His exposure to the teachings of the word of God helped him to grow into maturity in the work of God.

He received the call to the ministry while at Saltpond A/G church, under the leadership of Rev. Charles Arko-Nunoo. In 1995, he was recommended to attend Southern Ghana Bible College and was successfully admitted where he undertook a three-year course of study in Theology from 1995 to 1998. Upon completion in 1998, he was posted to Saltpond Lower Town (Nankesedo) Assemblies of God church (Progressive A/G) in the Central Region, where he served for four years.

He was later transferred to Restoration Center Assemblies of God Church, Agona Nyakrom in 2002, where he currently serves to this day.

Positions Held in Ministry

Rev. Nicholas Baah-Boison served in various capacities as a minister of God in the Assemblies of God Church, Ghana. From 1999 to 2001, he served as the District Treasurer in the Mfantseman District in the Central Region for three years.

Between 2001 and 2010, he was also elected as the Central Region Missions Director, a position he held for nine years.

service in the region.

From 2022 to present, he serves as a member of the Welfare Committee for the Agona District Assemblies of God where he has contributed significantly to the establishment and sustenance of the welfare.

Pastoral Duty

Upon assuming the pastorate in 2002, Rev. Boison pastored the main church, Restoration Centre Assemblies of God Church, in Agona Nyakrom as well as three other branch churches. By God's grace, these three branch churches have now matured and are also considered mother churches. Furthermore, through his leadership, two new branches were established, namely: the Kweku Gyan Assembly and Progressive Assembly, Ahomadonko both near Agona Nkum. The Agona Nkum and Agona Kwaman A/G churches have since been reassigned to Pastor Isaac Arthur-Keelson (one of the sons he raised) and Agona Mensakrom A/G church, to Lay worker Brother Charles Okai (another son he trained as a lay worker). Currently, Restoration Centre A/G Church, Agona Nyakrom is the main church he presides over. He has worked tirelessly with all his heart to bring the church to this enviable stage.

Through his able leadership, these churches have experienced tremendous growth both

spiritually and physically. The churches have acquired valuable immovable and movable properties.

Church members have been greatly blessed through his ministry. His love and care for them are immeasurable. This includes revival and prayer programs, sound Bible studies, securing a Compassion International Ghana project for the Agona Nkum Redemption A/G church and community, visitation, organizing free skills training for members to equip them with income generation skills, paying the fees for students, among other initiatives.

Aside from being a pastor, Rev. Boison is also a renowned evangelist and prophet who the Lord has used throughout the country and in some West African countries to revive many churches through weekly revival and prayer festival programs.

Rev. Boison has trained and raised four pastors all of whom have completed their training at the Assemblies of God Theological Seminary, namely: Rev. Benedict Antwi – Sey, Pastor Isaac Arthur-Keelson, Pastor Christian Coffie, and Pastor Titus Paintsil. All of these ministers are currently serving in the Assemblies of God churches.

Additionally, several others, notably Pastor Samuel Ekow Amoah, Pastor Francis Gyedu, Prophet Kenneth Browne and Pastor Ebenezer Appiah have been greatly impacted by his ministry and

GOODWILL MESSAGE FROM THE CENTRAL REGION “A” COUNCIL TO REV. NICHOLAS BAAH-BOISON

“But He said to them, let us go in the next towns that I may preach there also because for this purpose I have come forth”

Mark 1:38.

On the basis of the above scripture the Executive Committee of the Assemblies of God, Ghana, saw the need for you to be transferred from Restoration Centre, Nyakrom to Deliverance A/G Mankessim for the purpose of doing ministry at the other towns.

You used to Pastor the Nankesedo Assembly but it was God's purpose for you to be transferred to Nyakrom.

The Region acknowledges the challenges which churches goes through when a vibrant Charismatic preacher is leaving for another church.

Rev. Nicholas Baah-Boison has been a Pastor of Restoration Centre for the past twenty three years. Churches have been planted, four Pastors have been trained thus Rev. Benedict Antwi-Sey, Pastor Isaac Keelson, Pastor Titus Paintsil and Pastor Koffie.

Your commitment to the work of God was brought to light when you were able to grow the churches under your leadership to their current state we are all witnessing today. The Church can now boast of a mission house,

uncompleted church building, a state of the art toilet facility and a total of twenty-three plots of land.

Rev. the Regional Council is grateful to God for what he has empowered you to accomplish. The Nyakrom community saw you as a Community Pastor whose ministry became beneficial to all who called on you.

The Regional Council also acknowledges the mother role Asafomaame Boison has played, following her husband to Nyakrom for all these years. Without your prayer and support, and the peace of mind you have given Rev. Baah-Boison he could not have worked effectively and efficiently.

It is our prayer that God will continue to use you in your new pastorate.

May he who has started a new work in you bring to an expected end.

God bless you and the family

GOODWILL MESSAGE FOR REV. NICHOLAS KOFI BAAH-BOISON BY THE DISTRICT PASTOR.

Agona district is much grateful to God for past twenty – three years that you were posted to the District and precisely Nyakrom as the substantive Pastor of the Church.

We wish to express our sincere thanks to God for how far He has brought you.

Indeed, the years you have spent here have been very challenging, but has also been fruitful. We can confidently say that the Lord has been faithful to you, your family, and the Church. Some of these challenges were both physical and spiritual.

You have truly imparted many lives which has brought hope to a lot. Your ministry has been a blessing to many who came your way.

Your attendance to meeting was also encouraging to many, even though you are one of the older ministers in the District, you seem not to bother about it. You always offer advice and help where and when necessary. Your participation and contributions to meetings will forever be remembered.

Every single person in the District will admit about the way you have imparted their lives, especially, the pastors and how you always joke around. Your prayers, messages and other activities, the name **“WOAPIIDO, WOATAADO, WOAYE SOSOROBADOO”**, will draw our attention

on your presence.

You always stand for the truth, open and firm to whoever comes your way, irrespective of the person's religious background or affiliation. Indeed, you are one of the pillars in the District who is always ready to offer what you have. When it comes to suggestions and contributions, anytime you think something is not right, you will advise out of a good heart.

“Ochochoworo”, “SENIOR Busiazee”, we say “AYIKOO”.

May the new pastorate bring to you another level of Christian maturity and growth.

On behalf of the Ministers, the district leaders and the entire membership, we wish you well in your new station. May the good Lord prepare you and keep you and protect you as you move into your new pastorate.

God bless you.

Amen.

GOODWILL MESSAGE FROM RESTORATION CENTRE AG, AGONA NYAKROM

To write a goodwill message for such a personality and at this occasion is indeed fulfilling. We believe it will not be out of place to begin with a brief history.

Rev. Nicholas Baah-Boison was transferred from Nankesedo A/G to continue the good foundation laid by Rev. John K. Sam (Rtd.) in the year 2002. Restoration Centre was the main church, with Redemption Temple -Agona Nkum, Good shepherd A/G - Agona Kwaman and Redemption Assembly – Agona Mensakrom as branch churches. His ministry in Nyakrom and its environs spanned not only from the spiritual but also social and economic as well.

Reverend, as the church congregate here today at your send-off service, to celebrate you and bid you farewell to your new pastorate, permit us to talk about the good work and pastoral care you've shown us over the past 23 years.

Rev. Boison has been a good shepherd who knows what his sheep need, at any point in time. Your word ministration, prayer and power ministry cannot pass without mentioning. You are a man of the word, rightly dividing the word to feed the sheep. Your prayer and prophetic ministry accompanied with signs and wonders have brought Restoration Center this far.

Fire Conference, a prayer festival which is held on the last Sunday of every month is a remarkable legacy you are leaving with the church.

Rev. Boison's ministry in Nyakrom was not limited only to preaching the gospel but also he goes all out responding to meet the social needs of the members, as well as the entire community. Whenever you call on him for any assistance, he would not hesitate. Notably is when he is called upon by church members and non-church members to convey a sick or pregnant person to the hospital. As a selfless minister, he invested time and resources to build the capacity of his members, sharing numerous business ideas with members so they can be financially stable. He took the members of the church through different types of capacity building and business trainings, Notably among them is; vegetable farming, silk plantation, bamboo crafts, batik tie and dye making, charcoal bricket production, rubber plantation, financial investment, etc. just to mention but a few. Through his initiatives, a number of church members have benefited greatly. He is always ready to share the little he has with everybody, not to talk about people who throng to his house seeking for help.

CONTINUATION OF THE GOODWILL MESSAGE FROM RESTORATION CENTRE AG, AGONA NYAKROM

In the area of education, he has helped a number of our youth to climb the educational ladder through his advice and financial support. Rev. Boison with the support of the church Board have been able to train five (5) ministers; Rev. Benedict Antwi-Sey, Pastor Isaac Keelson, Pastor Koffie, Pastor Titus Paintsil, Pastor Samuel Amoah.

In the area of infrastructure, the church can boast of a mission house, uncompleted church building, a state of the art toilet facility and a total of twenty-three building plots.

As the old adage puts it; behind every successful man there is a woman. All the good work, Rev. Boison wouldn't have come to fruition without his wife Mrs. Gifty Baah-Boison. We say kudos for being strong behind your husband to come this far.

Today as we gather for your send-off service, Restoration center fraternity wishes that you could have stayed a little longer, but we believe God has greater things to achieve with you elsewhere.

We commend you highly for your meritorious ministry. The church Board and the entire members take this opportunity to congratulate you and your dear wife, and we say Ayekoo! to you.

We wish you the very best in your new pastorate and want to assure you that our prayers will always be with you.

May your good works follow you to do greater exploits for the kingdom.

***God richly Bless you REV. & MRS.
BAAH-BOISON.***

GOODWILL MESSAGE FROM REDEMPTION TEMPLE, GOOD SHEPHERD AND PROGRESSIVE TEMPLE A/G

As a popular saying goes “A father works hard to build foundation that affords his children to have a better life than he did”.

The above quote encapsulates the man we are celebrating today. God being so good our dear Rev Nicholas Baah-Boison have been very instrumental towards the development and sustainability of these churches. Through his instrumental leadership, the progressive temple AG was planted at Agona Ahamadonko which is currently doing well. A land was bought for the putting up of the church. Also through his leadership the City of Refuge Child and youth development center (a compassion International Ghana) was established at Agona Nkum and serving the interest of the community for the past 15 years and counting towards raising fulfilled Christian adults. The establishment of the Front-line church partners (FCP) has given birth to the construction of such projects under CIV, A state of the art Washroom, a. Modern Kitchen, Office for staff and Computer Laboratory, a Water Supply Systems with two polytanks were established in the Agona Nkum community which is augmenting the water supply needs of the community folks. His tenure saw the establishment of a community Public Address System popularly known as Information Center for the church in the

community, the first of it's kind I must say. He also discovered, nurtured and trained Pastor Christian Coffie who is now pastoring an AG/ church at Agona Swedru (Oteiprow). Also, under his leadership the church was able to establish a Private Basic School (Redemption Academy) which will be ten years next year God willing. Additionally, he purchased five plots of land for the church's future projects. It is currently the location for the construction of the church's Mission House.

HYMNS**M.O.P 130 - ALL THE POWER**

1. All hail the power of Jesus' name!
Let angels prostrate fall,
Bring forth the royal diadem,
And crown Him, Lord of all,
Bring forth the Royal diadem,
And crown Him Lord of all!

2. Ye chosen seed of Israel's race,
Ye ransomed from the fall,
Hail Him who saves you by His grace,
And crown Him, Lord of all,
Hail Him who saves you by His grace,
And crown Him Lord of all!

3. Let every kindred, every tribe,
On this terrestrial ball,
To Him all majesty ascribe,
And crown Him, crown Him,
To Him all majesty ascribe,
And crown Him Lord of all!

4. O that with yonder sacred throng
We at His feet may fall,
We'll join the everlasting song
And crown Him, crown Him,
We'll join the everlasting song
And crown Him Lord of all!

M.O.P 120 - PRAISE THE LORD

To God be the glory, great things He hath done,
So loved He the world that He gave us His Son,
Who yielded His life our redemption to win,
And opened the life-gate that all may go in.

*Praise the Lord, praise the Lord,
Let the earth hear His voice;
Praise the Lord, praise the Lord,
Let the people rejoice;
Oh, come to the Father, through
Jesus the Son,
And give Him the glory; great
things He hath done.*

Oh, perfect redemption, the purchase of blood,
To every believer the promise of God;
The vilest offender who truly believes,
That moment from Jesus a pardon receives.

Great things He hath taught us, great things He hath done,
And great our rejoicing through Jesus the Son;
But purer, and higher, and greater will be Our wonder, our transport when Jesus we see.
